DESCRIPTION OF	INCIDENT	Ր•			

An undercover video reportedly filmed in the San Bernardino office for the Association of Community Organizations for Reform Now (ACORN) was recently released on the Internet. The film depicts a worker talking about her past involvement in prostitution and the alleged self-defense killing of her former husband.

The San Bernardino Police Department is investigating the claims made regarding the homicide. From the initial investigation conducted, the claims do not appear to be factual. Investigators have been in contact with the involved party's known former husbands, who are alive and well. The investigation is ongoing and anyone with further information is asked to contact the Police Department's Homicide Division at (909) 384-5615.
